## Profile of The Founder President

### **Padmashree Dr. D Y Patil** Founder President, Dr. D Y Patil Pratishthan

"Great men are born to lead" and so the birth of Padmashree Dr. D Y Patil in an affluent agriculturist family of Kolhapur in Maharashtra on 22<sup>nd</sup> October 1935, was the beginning of great things to come. Padmashree Dr. D Y Patil did not rest on his laurels as a social worker, but dreamt of contributing better values to the society. Thus began a vision to endow the people with quality educational facilities in all fields. Dr. D Y Patil Partishthan's journey began with "HIS EXCELLENCY THE HON'BLE PADMASHREE DR. D Y PATIL Sir." the Governor of Bihar State, who sowed the seed of education in Kolhapur, Maharashtra in 1983 with a motto ; "Empowerment through Knowledge". After three decades, today we witness that the seed has bloomed into a vast tree with its branches spread in Kolhapur, Pune, Mumbai and Mauritius. This expansion could happen only due to his philanthropic spirit. Today, there are over 160 academic institutions of international repute, from kindergarten to post graduation in the varied disciplines of education, 03 Deemed Universities and 01 Overseas Medical College. There are one lakh students studying and ten thousand teaching and non teaching staff members working under the banner of Dr. D Y Patil Pratishthan. Almost two lakh students have passed out from this prestigious banner. For his contribution to the cause of education, the President of India has honoured Dr. D Y Patil Sir with Padmashree in 1991. He was also awarded two Doctorates in Philosophy, first by the World University Round Table (USA) in 1985 and later by Britain (UK) in 1996. He served as the Governor of Tripura for two years & Governor of Bihar for Two Years. Recently, he has been bestowed with the prestigious D.Lit. from Shivaji University, Kolhapur, Maharashtra.

### **Rear Admiral Amit Vikram (Retd)**

**Campus Director, Dr. D Y Patil Educational Complex, Akurdi, Pune**

I would like to give the assurance to our students and their parents/guardians, that we have a very strong, experienced team of professionals at campus, who are committed to align their teaching and training with the industry expectations. In all our educational activities planned for developing the well-rounded professionals, the 'student' is always in the focus of it. The Teaching-Learning process is

so designed that it is amalgamation of classroom activity with well equipped laboratories and workshops and field/ industry experience. We are committed to keep abreast our processes in line with the New Education Policy (NEP)-2020 and all regulatory guidelines implemented from time to time. Hence, the revision of course curriculum is a dynamic process in our campus. We lay adequate emphasis on developing the soft skills, being the key to success and nurture the character building traits viz self-discipline, ethical conduct, resilience, fairness, respect, reliability, optimism and empathy. Our campus placement records across the spectrum of courses, highlight volumes of satisfaction levels of industry as well as alumni.

Our Educational Complex with lush green spaces, zen corners and positive energy, provides conducive and meditative environment of learning. The care and protection given by administrative staff in the campus to the students, assists them in focusing studies in a secured environment.

Jai Hind!

### **Dr. Arvind S. Kondekar**

**Principal**

Greetings to you from Y. B. Patil Polytechnic. It has been one of cornerstones of Dr. D.Y. Patil Pratishthan, since 1984. As the head of the institute, I believe that the strength of our institute comes from our faculty, staff & students. These committed human resources contribute to make our institution a one Point Success destination. Moreover, we equip our students with

necessary skills for both job and higher education after diploma. We invite experts from industry to enrich the knowledge of our students & to know more about the current trends in the field of engineering.

We have spacious classrooms, well equipped laboratories, rich library with latest books & magazines, lush green lawns which make learning a great pleasure. We organize extra-curricular activities like cultural programs, sports & other various programs to elicit the dormant talent of our students. We make sure students develop a multifaceted personality to face world confidently.

I wish my students a grand future as global technocrats.

POETRY

"TO A YOUNG FETTER BELONGED TO COLLEGE"

now having learned the alphabet of violence  
having mastered the system of destruction  
and precisely timed the seconds of untimely death  
having been adorned with fine perfection  
how to combine explosive sentences  
out of the bright air; what will you do  
having no longer addresses  
no dance, office, vital installations,  
no major negatives, but only life

O but begin begin,  
while the theme and questions still peck the <sup>mind,</sup>  
to be content now in the greatest part  
Do not say that you are young,  
You are not young  
No one in young you more,  
tomorrow today, this hour this instant it is <sup>your</sup>  
So violence and speed  
are in your order  
To violence and speed  
these look in the hood  
slide down from the white over the mesh of air  
Be not limited - have calculations of your instruments  
This other instrument stronger than others  
unite you with the space

काही नाती असतात जन्मो-जन्मीची, तर  
काही क्षणापुरतीची ]

काही नाती असतात, केसांसारखी न  
तुटणारी, पण वेळ आलीच तर वाकणारी

काही नाती असतात, लांबूनच आपले  
मनणारी, जवळ गेल्यावर मात्र दूर  
करणारी.....

काही नाती असतात, पैशाने विकत घेता  
पणारी, तर काही प्रमाने आपलेसे  
करणारी.....

काही नाती असतात, न जोडता सुद्धा  
टिकणारी, तर काही जोडून सुद्धा  
तुटणारी.....

शेवटी काय घेऊन जाणार आहोत सबबत

आठवला तो दिवस पहिल्यांदा पहिला होता येवना  
तुझा सोडून मला जातना विचार केला होता का माझा

किती प्रेम केले होते मी तुला आता  
फार आठवण येते तुझी मला

तू कुठे पण रहा करेगाबरोबर पण राहा पाऊन रहा  
सुखी कारण मी तुला कधीच पाहू शकत नाही दुःखी

तुझी आठवण मी मी कायम काळत असीन पण
